

# **ABSOLUTE SCALE OF RELATIVE COSMIC REALTY**

(Keyed with a Legend on the Bottom (Numbers) and Side (Letters) for Quick Location)

## **RELATIVE SECTION: EVOLUTIONARY FINITE BUT POTENTIALLY ETERNAL**

The **Absolute Scale of Relative Cosmic Reality** charts the origin history and destiny of all relative cosmic realities from the icy stillness of zero vibration to the white hot fire of infinity. In addition to frequency (given in cycles per second or Hertz-Hz.)...the following parameters are also scaled:

- Physical Parameters: Wavelength, Diameters, Size, Distance, Temp, Mass, Etc.
- Energy Domains, Phases and Stages in Electron Volts and Ergs
- Electromagnetic Spectrum Wavebands and EM Ray Sources
- Public Waveband Frequencies: Broadcast, Emergency, Security and Entertainment
- Music Octaves With Keely Notes on Special Frequencies
- Frequency Scale From -100 Octaves to +100 Octaves With Keely Notes
- 97 Note Keyboard With Frequencies for Major Notes
- Sound and Vibration Phases and Mode Classifications
- Color by Frequency in Hertz and Wavelengths in Meters
- Time Domains, Ages, Important Historical Events and Scientific Discovery Dates
- Human Chronobiological Cycles, Sensory Mechanisms, Vibrational Therapies
- States of Consciousness, Brainwave Classifications, Levels of Mind and Soul Growth
- Mayan Calendar Harmonics
- Frequency Ranges for Animals Such a Dolphins and Whales
- Astro-Zodiac With Dates and Signs Along With Universal Locator
- Orbital Periods of Satellites, Planets, Stars, Clusters, Clouds, Nebulae and Galaxies
- Orbital Periods of the Seven Universal Rotating Gravity and Power Centers
- Model of the Super-Galactic Universe With Space Levels and Dimensions
- Subatomic Elemental Partial Theory and Models of Atomic Structure
- Periodic Chart of the Elements by Size, Valence, Orbital Periods and Resonances
- Molecular Morphology, Size, Structure and Resonances

## **ABSOLUTE SECTION: EXISTENTIAL, INFINITE AND ETERNAL**

- Triune Nature of Origin (Thought/Expression/Action)
- Triune Nature of Destiny (Actual - Potential - Associative)
- Triune Nature of Associative Action (Supreme - Ultimate - Absolute)
- The Nature of the Trinities of Trinity That Unfits the Ten Absolutes
- Resolution of the Tension Between the Two Universal Absolute Opposing Polarities
- Qualities and Values of the Universal Absolutes

## **ASSOCIATIVE SECTION: EVENTUATING, UNIFYING AND RESOLVING**

- Introduction to the **Scale of Reality CosmoCartogram** and its Relationship to the Universal Rhythm of the Square Root of Minus One and Harmonic Law.
- The Oneness of Creation and Evolution Is a Philosophical Prerequisite to the Concept of Order, Unity and Harmonic.
- Diversification of the One Into the Many via Progressively Descending Harmonics
- How Reality Manifests Through Trinity Relationships and the Manifestation Cycle
- Pattern and Form: Unity Relationships
- The Role of Choice and Mind Dominance in Manifesting Reality
- Evolution of Ten Kingdoms and Twelve Dimensions Through Seven Stages of Process
- The Microstructure of Music and Voice: the Science and Art of Communication.
